Kenny was born in Indianapolis, Indiana. He holds a special place in history as the 32nd African American to become a Navy SEAL. Kenny received the Unsung Hero Award from Ford Motor Company from Kevin Frazier, host of the hit TV show *Entertainment Tonight*, in recognition of his unique & challenging story in becoming a Navy SEAL, along with his personal and community accomplishments. He has been endorsed by Chief FBI Agent and Professor Greg Vecchi and S.W.A.T. Teams. He was recently featured in the Amazon and Barnes and Noble most read book *Can't Hurt Me* by his good friend and Former Navy SEAL teammate David Goggin's for their amazing experiences in achievement in spite of formidable challenges before and during SEAL training as seen on CBS and Joe Rogan's podcast, The Joe Rogan Experience, viewed by millions. Kenny has had the fortune to receive honorable mention from Department of Homeland Security, and Federal Protective Service. He is also a featured personality on the popular Funker Tactical You Tube Channel. He had the great fortune to have honorable mention from the United States Navy Recruiting District for having the highest conversation rate in the nation in training Navy SEAL Candidates that completing training and became SEALs.

Since the age of 4 years old, he has become an expert martial artist and owns his own martial arts school and affiliations. He has travelled and taught martial arts at some of the most respected academies and teams all over the world. Such as: Nitrix academies in Brazil, Brazilian Top Team and other schools in Phuket, Bangkok, Khao Lak Thailand, and in Split Croatia. Kenneth holds black belts and high achievement in several martial

arts and combatives systems. It is no surprise that he is also a Martial Arts Hall of Fame inductee.

Most recently Kenny became a Master Tricom Instructor/Collaborator which trains elite teams such as the Secret Service, Korean Navy SEALs, and army special forces and many more internationally. His company, Tactical A.C.T.S (Adaptive Combat Tactical Solutions) LLC, provides Fortune 500 clients preemptive, adaptive, and real time problem solving solutions of incident response, as well as executive protection. His team conducted Executive Protection for Nestle in Washington D.C. World renowned High Risk security/Executive Protection company Triple Canopy awarded Kenny with an elite training commendation. Kenny instructs elite performance mindset, strategy, and tactics seminars nationwide to S.W.A.T teams and to civilians focusing on individual, team skills, and finally culminating into practical and applicable interactive scenarios.
